# Add Child to Palanhar

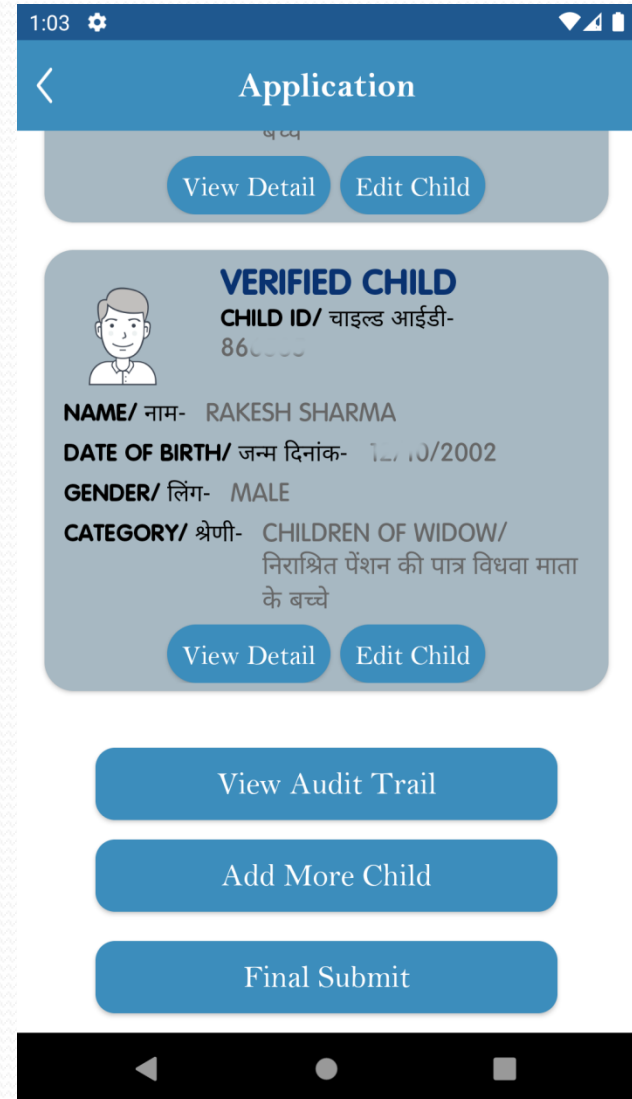

- To add Child, user need to click on Add child button on the above form page.
- Enter child Aadhar number to validate data from Shaladarpan.
- Data gets automatically filled from Shaladarpan if available or else the user needs to fill the required data in the form.
- To submit the form user need to authenticate the child using Aadhar Face Rd by showing the child face in the service.

The screenshot shows a mobile application interface for adding a child. At the top, the status bar displays the time 12:41, a settings icon, and battery/signal indicators. Below this is a blue header with a back arrow and the text 'Add Child'. The main content area has a dark blue banner with white text: 'Add New Child Details/ गोद लिए जाने वाले बालक/ बालिका का विवरण'. Below the banner is a light gray input field containing the Aadhar number '62141 1000700' and a blue 'Validate' button. The form continues with several fields: a photo placeholder labeled '\*Add Photo/फोटो' with a black silhouette icon; a text field for '\*Child Name /नाम' containing 'Jaydip Dindor'; another text field for '\*Child Name Hindi /नाम' containing 'जयदीप डीन्डोर'; a date field containing '2006-10-05'; a dropdown menu for '\*Gender/लिंग' with 'Male/ पुरुष' selected; and a dropdown menu for '\*Category/ श्रेणी' with 'Select' selected. The bottom of the screen shows the standard Android navigation bar with back, home, and recent apps buttons.

# Final Submit

- To final submit the palanhar, user need to click on Final submit button on this page.
- After final submit this application will be forwarded to the BSSO for approval.

# Audit Trail

To view Audit trail of the application user can click on the View Audit trail on palanhar detail page.
